Dear Peter:

The Board of Directors of CTCI has approved the establishment of the Potomac Classic Thunderbird Club as an official chapter of CTCI. As Chapter No. 23, you are covered by the corporate indemnity of the Classic Thunderbird Club, International, a non-profit corporation incorporated in the State of California.

Although the requirements for membership under Article IV of your Chapter By Laws do not expressly provide for concurrent membership in CTCI, this is a requirement for Chapters under CTCI's By Laws, according to Article VIII, Chapters, paragraph b). To avoid future misunderstandings or misinterpretations on this point it could be beneficial to you to add the words "who are members of CTCI" after the word "persons" in Article IV, paragraph a). The Board suggests you consider amending your By Laws to cover this point.

Congratulations!

Yours very truly,

S. G. Whittelsey, Jr.
