Mr. Peter Van Schuyler
President
Potomac Classic Thunderbird Club
7505 Harpers Drive
Oxon Hill, Maryland 20022

Dear Peter:

Your letter of November 20, 1968, applying for a Chapter Charter for the Potomac Classic Thunderbird Club is hereby acknowledged.

Your membership letter contains eleven CTCI members and six names of individuals who are not yet members of CTCI. I enclose a copy of the list as marked up by Edna Neiss, CTCI Secretary. Therefore, since you have over six members of CTCI, your application appears to be completely in order and acceptable. Your proposed Chapter By Laws appear to be in harmony with the By Laws of CTCI. I, hereby, assign the number 23 to the Potomac Classic Thunderbird Club as the newest Chapter of CTCI pending final approval of your application by the CTCI Directors. This final approval is required by our By Laws in order to preserve the Directors control of extensions of CTCI's legal liability. However, I see no problem in your receiving this final approval by the CTCI Directors, probably within a month, after which your chapter activities will be covered by CTCI's corporate indemnity.

Next on the agenda is for your chapter to appoint its representative on the CTCI Advisory Council.

Your chapter will undoubtedly want its news to be published in the "Early Bird" so we suggest that one of your members be appointed to prepare your material in final draft form, with black and white photograph prints, and send it to our Editor, Roger Neiss. The writer will be "bi-lined" although Roger reserves the right to edit all material submitted.
