Mid-Atlantic Region of the
Classic Thunderbird Club

AUGUST, 1968

Once again it is my annual pleasure to send you this little offering telling about our Regional activities, and also telling you about my participation in T-Bird events while attending Summer School at the University of Wisconsin, Madison.

If "what is so rare as a day in June", and "nothing could be finer than to be in Carolina in the morning" could get together, it would really be something, wouldn't it?? Well, they did get together June 14-16, '68, at the Carolinian Hotel, Nags Head, North Carolina, when the rising sun found 12 fine T-Birds gleaming in the morning dew.

A luncheon, car judging, dinner, awards ceremony, and Sunday motorcade featuring the colors of the rainbow all helped to make it a memorable week-end for those in attendance:

- ✓ Maynard Eicher, 9503 Page Ave., Bethesda, Md., 20014
- Carroll Forehand, 303 Rockbridge Road, Portsmouth, VA., 23707
- ✓ Robert Gardner, 4640 Old Indianhead Rd., Cheltenham, Md., 20623
- Dennis Irlbeck, 2518 Cherokee Drive, Albany, Georgia, 31705
- Gerald K. Miller, 1024 North 10th St., Albemarle, N.C., 28001
- ✓ Margaret Mix, 12800 Meadowood Drive, Silver Spring, Md., 20904
- ✓ James Murphy, 801 North Pitt St., Alexandria, VA., 22314
- Luther P. Myers, Route 1, Box 76, Smithfield, VA., 23430
- Howard Overstreet, 9 Clover Street, Hampton, VA., 23369
- Dr. Eugene F. Poutasse, 2060 Hunters Trail, Norfolk, VA., 23518
- Ralph Sayre, 700 Rosser Avenue, Waynesboro, VA., 22980
- ✓ Peter Van Schuyler, 3301 Maywood Lane, Apt. 203, Suitland, Md., 20023
- Billy Walch, 916 McClain Drive, Lexington, KY., 40505
- Robert Rosson, 205 20th St., Virginia Beach, VA., 23451

As for the awards, Best '55 went to Dr. Eugene F. Poutasse; Best '56 went to Billy Walch; Best '57 went to Gerald Miller; and Best in Show (judge's choice) went to Peter Van Schuyler. 57

Our most competent and impartial judge again this year was Mr. Marvin Barrancy, Assistant Manager of the Pure Car Care Port, 7522 Tidewater Drive, Norfolk, VA., 23505, phone: 703-583-4571.

At this point, I would like to put in a "plug" for the Pure Car Care Port by telling you about the service they render my three (3) cars.

over

(1) My '65 Chevy Impala Super Sport, 327-300, 4-speed. This car has 70,000 miles on it, and gets electronic analysis every three months, and stays like a new car all the time. Name: "BOSS".

(2) My '48 Lincoln Continental Coupe, which I had the honor of acquiring last February from its previous owner of 16 years, the Ford dealer in Louisburg, N.C. The Pure Car Care Port took it over and put it in excellent condition. Name: "BLUE SHADOW".

(3) My '57 T-Bird, which I took out of two years' dead storage in March and turned over to the Pure Car Care Port. (In all cases, I give Pure a free hand to effect repairs as necessary with every confidence in the world that such will be done well and honestly). Name: "BIG T".

The key point about the Pure Car Care Port is the 118 electronic tests well administered that spot difficulties. I cannot recommend them too highly.

As for my activities this Summer, I can summarize:

JULY 3-4, '68: Attended meet of Iowa T-Bird Club, Clinton, Iowa, on banks of Mississippi River. Six cars present. We were in parade and on display in Riverfront Park.

JULY 11, '68: Attended regular monthly business meeting of Chicago T-Bird Club in member's home.

JULY 15, '68: In Concours d'Elegance, Murphy Ford, Chicago, on new car showroom, 20 cars present. I did not win a prize but the thrill of being there was very great--from dead storage in March to new car showroom in July, thanks to the Pure Car Care Port.

JULY 20-21, '68: Attended annual joint meet of the Wisconsin and Chicago T-Bird Clubs, Pioneer Inn, Oshkosh, Wisconsin. 17 cars present.

AUGUST 4, '68: In honor of the absent Lincoln, attended annual trophy meet of the Ill. Region of the Lincoln Continental Club near Chicago. 16 cars present.

AUGUST 17-18, '68: T-Bird in parade and on display, Logan County Fair, Bellefontaine, Ohio, on way home.

13 Birds present; 200 cars total; Billy Walsh there also!!

SO--there is plenty to do and a lot of fun waiting for you automotively if you just get out and participate. This old car thing is one of the fastest growing and most active hobbies in the country. There are activities of all kinds every week-end somewhere in the country.

I have a special address for T-Bird and Lincoln Continental sources, so I would like to share a few of them now:
