Dear Mr. Eicher:

WELCOME to the T-Bird Club, and a special welcome goes out to you from our local group.

So far, we have had two meetings only since we are so scattered. The first one was last June in Virginia Beach when twenty (20) cars came, and the other one was in Natural Bridge, VA., last November, when eleven (11) cars participated.

Our only meet this year will be soon--our 2nd Annual Spring Meet, at the Carolinian Hotel, Nags Head, North Carolina, (100 miles south of Norfolk, VA., on the Atlantic Ocean, near Kitty Hawk, N.C.).

I find it possible to set up only the Spring Meet this year, as I recently acquired a '48 Lincoln Continental Coupe in excellent condition, and I am deep in the LC Club--besides, the most important LC activities are in the Fall.

SO--we definitely look forward to the pleasure of your company in Nags Head--full information will go out to you next week.

Enclosed you will find a copy of the NEWSLETTER I issued last July--I'm sure you will find much of interest in it.

SEE YOU!!!

"You stick together and you work it out, And that's what old automobile ownership is all about." Yours for the Club,

P.S. If you would like back copies of the EARLY BIRD, you may obtain Xerox copies at \$.60 each from:

Starting in Jan. '63, every other month, this would mean 32 issues to date, for a total of \$19.20.

If you are serious about the T-Bird--it is an excellent investment. I have a full master set--you'll find a world of information obtainable from no other source if you have a master set too.
